Re: Cemetery and Property Maintenance RFP

From: Town of Norridgewock

To: Prospective Bidders

---

This document is intended to provide clarity to the Request for Proposals issued October 21, 2020. The below questions have been received from prospective bidders by phone or email.

**Q:** Does the care of W. Barr Athletic Park include the maintenance of infield areas as a skinned surface?

**A:** No, the maintenance of the infield areas is not included in this proposal. These surfaces are customarily overseen by the recreation programs.

**Q:** Is it allowable to use chemical mowing when addressing the overgrowth of some of the “invasives” (i.e. Japanese knotweed) in the in-town greenspaces?

**A:** Yes, as long as appropriate notices are given to the Town in advance of treatment.
